

## AMBASSADOR INTEREST FORM

Ambassadors are a group of dedicated volunteers who promote awareness of chamber benefits and services while also encouraging existing members to become more involved. As an ambassador, participants gain valuable business exposure by being the first to meet new chamber members and put their company's name in the forefront. Ambassadors represent the Chamber at various events including but not limited to: new business Ribbon Cuttings, Business after Hours and any other Chamber event.

Ambassadors meet as a group to discuss the calendar of events monthly during a lunch meeting and commit to 1-3 hours per month as Chamber volunteers.

I am interested in becoming a Chamber Ambassador:
